

SM FEEDER

AD-LIB STAINLESS STEEL SOW FEEDER

- › Ad libitum feeder designed for pre-breed conditioning and for nursing sows
- › Offers full feed 24/7 so sows can eat **when** and as **much** as they want
- › Easy to install on a wall above a feed trough in farrowing and gestation units
- › Dispenser drops fresh feed into the feed trough
- › Easy-to-work feed trigger provides metered feed flow
- › 304 Series stainless steel feeder construction
- › Animal-friendly design with no sharp edges
- › Minimizes feed waste
- › Easy to clean
- › Sturdy construction

- › INCREASED FEED INTAKE
- › REDUCED FEED WASTE
- › STRESS-FREE BREEDING

SM FEEDER

ADJUSTABLE LEVEL

- > Accurate regulation
- > Precise amount of feed released with each trigger movement
- > Adaptable to individual sow behavior

EASY-TO-USE FEED TRIGGER

- > The feed trigger moves in EVERY direction (not only side to side or front/back) resulting in instinctive feed release

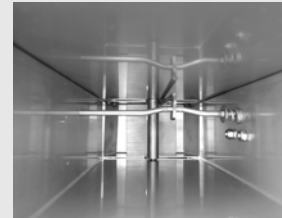

EASY INSTALLATION

- > Multiple mounting options allow easy installation to existing animal areas

LOW MAINTENANCE

- > Waterproof, no need for removal while cleaning
- > 100% stainless steel
- > Long durability

OPTIONAL FEED HOPPER EXTENSION

Feeder can be filled manually or automatically using one of Chore-Time's feed conveying systems.
